Subject: Re: NPS petition

Charles, I checked with Cody Stewart, director of the Western Caucus in Washington, regarding any work on Chris's letter requesting a decision to open National Parks to same gun rights as National Forests. Cody was told by the NPS staff that not much was expected to happen on the issue. <several sentences redacted for security reasons - Bighammer.net>

Let me know if I can help, or I can put you in touch with Cody in DC.

Regards,

Dee Dee \*\*\*\*
